

Love this country. Work hard.

**That's the
way it's
supposed to be**

But Republican Politicians Have Rigged the Game

- 
- They pushed a law allowing lenders to charge families 200% interest¹
 - Voted to cut funding for our public schools while giving tax cuts to billionaires²
 - Passing a law for their wealthy donors that drove up rent and the cost of home ownership³
 - They even voted to double their own pay⁴
